10/03916/OUT

Outline application for residential development (up to 150 dwellings), including associated infrastructure, landscaping and the creation of new areas of public open space, together with land to accommodate a community hall facility on land at former Aggregate Industries Site, The Mallards, South Cerney GL7 5TQ

Due to the large number of residents who came to observe the meeting the Chairman was concerned that health and safety would be compromised. It was proposed by Cllr Caunce and seconded by Cllr Webb that the meeting should be postponed. The Parish Council was in full agreement.

As the response to the application had been extended by Cotswold District Council until 20th April it was agreed that a public meeting would be held on Wednesday 6th April in the Village Hall. The Parish Council will make its decision on how it will respond to the application at its regular meeting on 13th April.

Cllr Stuart closed the meeting at 6.40 pm.
